New Year Bingo

January 4, 2024

We hosted the New Year Bingo after the holiday season. We had hotdogs, chips, cookies and drinks. The Mentors/Mentees that were able to attend had a wonderful time playing several games of Bingo all being able to win a few fun prizes. The students had a great time supporting and encouraging each other, all while talking all about their fun christmas break.

MC² Breakfast Club Speaker

January 30, 2024

Shenandoah Police officer and Student Resource Officer Dave Erikson spoke with MC² students. Officer Erikson spoke about his upbringing and how he found a career in law enforcement. Officer Erikson spoke about his Marine journey, working for Coca Cola, and finally landing his job with the Atlantic police department. Officer Erikson never liked for anyone to tell him he couldn't do something or that it would take much longer to reach a goal. He always took each step as a challenge to prove people wrong. He moved up the ranks in Marines faster than most, almost out-sold another vendor by 50 cases and made Police chief quicker than people who have been on the force for 15 plus years. We appreciated learning from Officer Dave Erikson.

National Mentoring Month

This is a national campaign to raise awareness about the power and impact of Mentoring. On behalf of M.A.Y Mentoring we would like to say THANK YOU to all of our Mentors. Your time and dedication doesn't go unnoticed. We appreciate your unwavering support of this program and the time that you invest in the lives of the students that you mentor. Thank you so much for helping continue the success of the M.A.Y Program and further impacting the lives of students in our community. We sent a small token of thanks in your handwritten thank you card as a small gesture for National Mentor Month. Thank you!!!
