Fall Fun @ Bugg's Farm

September 17, 2023

It was a beautiful Sunday afternoon at Darwin & Sandy Bugg's Farm. We want to Thank Darwin and Sandy for hosting this event for more than 20 years. It takes lots of work to grow the pumpkins, harvest the pumpkins and pull this wonderful event together.

The M.A.Y Mentoring family has been blessed by the Bugg's for all their time, hardwork and dedication to children in the community. We appreciate you so much. We had about 26 mentors and their mentees attend the event along with some family members.

Lots of fun happened as they were able to carve, paint or decorate pumpkins, take ranger or atv rides, horseback riding, and roast hotdogs and s'mores at the event.

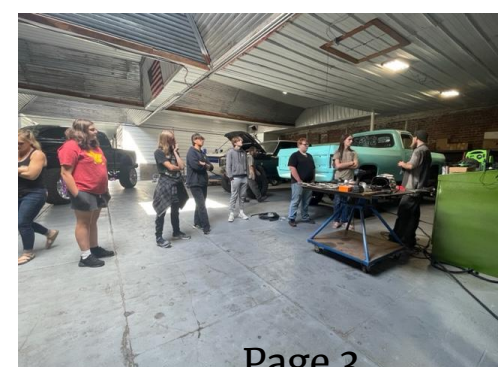

MC² Fall Kick off Event

September 27, 2023

A small group of sophomore, junior and senior MC² students got the opportunity to learn from Lance Cornelius at State Farm, Bethann Tillman at BA Marketing and ended the day with Hannah Reif at Midwest Outlaw Garage. The students were served lunch cooked by Mike Bauer. They started the afternoon by splitting in two groups and learning more about BA Marketing and State Farm as businesses in the community. Bethann and Lance also spoke to the student about how they like to run their businesses and the perks they have provided for their staff. All while also providing the students with valuable life information about connecting/networking with community members for opportunities beyond high school.

The day wrapped up at Midwest Outlaw Garage where students learned how Austin and Hannah Reif developed their business, how they like to run their business for their staff. They showed the students all the automotive projects they are working on and talked about how they serve the community. Hannah was able to talk about her career path and some of the life lessons she and Austin have experienced along the way as a business owner.

M.A.Y UPCOMING EVENTS
